

Sub: India International Leather Fair ( IILF) to be held during February 26 – 28, 2018, Netaji Indoor Stadium Kolkata.

Dear Sir/Madam,

We are indeed pleased to inform you that the 23<sup>rd</sup> edition of India International Leather Fair will be held at Netaji Indoor Stadium from February 26 – 28, 2018.

ITPO always has received the support from the leather industry to organize this fair in Kolkata for the last 22 years. In reciprocation, ITPO has extended support to all participants at all times.

The fair will have on display the complete range of leather and leather products. The complementary products such as chemical, accessories, components, footwear components and machinery for manufacture of leather goods etc. will also be on display.

It is always noted with pleasure that the exclusive website for IILF, Kolkata is well visited by the importers from all parts of the world. Therefore, it is requested that the leather industry may come forward in a big way so that the website can showcase more and more numbers of companies participating which encourage the importers, buying agents etc. to visit the fair for their business. We all know that Eastern India being the hub for leather goods contributing a major share in the export basket of the country, there is a lot of scope for making this event bigger for the buyers as well as the sellers and more business oriented.

**The participation charges for a 9 sq. mtr. shell scheme booth is R. 63,000/- plus applicable tax. For confirmation of space, you may pay an advance of Rs.35,000/- per 9 sq. mtr. (for additional space, this would increase proportionately).** Since the booking is on first come first serve basis, your early confirmation will ensure a better location in the fair.

A fact sheet on the fair along with application cum catalogue entry form is enclosed.

Thanking you and looking forward to your early response.

Yours faithfully,

( Rumela Roy )
