CIRCULAR No. 66/2017

IITF, 2017 is taking place from November 14-27,2017 in Pragati Maidan. This year IITF is taking place in a limited space as most of the ground is not available for exhibition purpose due to redevelopment work. It is necessary that managable crowd should be there in the ground during the exhibition hours due to limited holding area. Therefore, it has become the need of the hour to have strict control on the entry gates for visitors, exhibitors, ITPO employees, on duty pass etc. All tickets, complimentary passes, badges are having barcode printed on it, are verified by PDA scanners at the gates.

All the employees of ITPO, service agencies, security agencies & exhibitors etc are directed to cooperate with barcode verifying staff at the entry point on every gate. Entry in the ground without proper barcode scanning is strictly not permitted.

This is for compliance by all the stake holders. This is issued with the approval of the competent authority.
