

F. No. 145-ITPO(48)/BDD/2020
India Trade Promotion Organization
(Business Development Division)

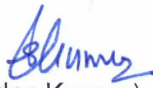

Dated : 28th October, 2022

CIRCULAR No. BDD/ 9 / 2022

Subject : Limitation of Vehicles load and movement inside the Exhibitions Halls.

During various exhibitions, heavy truck movement in new complex, i.e., Hall No. 2 to 5 has been observed. M/s. NBCC has informed the following Do's & Don'ts with respect to limitation of vehicles load and movement inside the Exhibition Halls :

1. Maximum weight of the vehicles including material allowed inside the Exhibition halls is 5.10 tonnes but can be allowed a load of 7.65 tonnes including material, if they are parked in a staggered form with maximum 3.0 meters distance apart.
2. Maximum speed of the vehicles allowed inside the Exhibition Hall is 5-10 Km/hr.
3. No vibrating machine is allowed to rest on the floor as it will cause Resonance and that will match with the building resonance and an damage the structural elements.
4. Large Trucks/Vehicles are also not allowed inside the Exhibition Halls.
5. Maximum Load bearing capacity of slabs in Hall No. 2-5 is designed for 1 tonne/sqm.
