

Press Release on 41st AGM of ITPO

The 41st Annual General Meeting of India Trade Promotion Organisation (ITPO) was held on 22nd October, 2018, chaired by Shri L.C Goyal, CMD, ITPO in the Board Room at its registered office, Pragati Maidan. Senior Officials from Ministry of Commerce & Industry being ITPO's shareholders, members of ITPO's Board and senior officers of ITPO were present at the occasion.

Despite the reduction in interest income and the reduction in exhibition space due to ITPO's ongoing mega project of redevelopment of its landmark exhibition ground "Pragati Maidan" into a state-of-the-art International Exhibition-cum-Convention Centre (IECC), ITPO could manage to generate an income of Rs. 360 crore and a net surplus of Rs.135 crore during 2017-18.

ITPO is continuing with holding various third-party exhibitions to the best satisfaction of the organizers. ITPO is gearing up to meet new challenges and competition for which an exercise is also underway to make internal processes, systems and procedures simpler and more user-friendly. For the year 2017-18, ITPO is expected to achieve MOU rating "Excellent".

While addressing the AGM, Shri L.C. Goyal, CMD, ITPO, expressed his gratitude to all the stakeholders for their contributions towards ITPO being a significant player in Indian and global exhibition and convention industry.
